

OPEN EYES MINISTRIES

7 YEAR ANNIVERSARY ISSUE

NICARAGUA, HONDURAS, COSTA RICA AND _____????

“ONLY GOD”

Only God knew years ago what miracles, blessings, and hallelujahs were ahead of us in Central America.

† From the seven weeks living in the Colonial Hotel in downtown León to today living and working in all three countries, God has prepared our place, our future.

† From one church in February, 2000 to over 2500 churches and organizations today, God has appointed us to these nations.

† From the promises of blessings, He has allowed trials and tribulations through which He has helped us to grow and we are overjoyed that He has placed us in these countries.

† He has provided so many professions of faith, over one million, so many changed lives through true relationship building cell groups reaching the lost, so many friends and ministry opportunities and we give all the glory to His name.

As we look forward to our next seven years we want to share our goals for the year 2007.

5 PRINCIPLE GOALS FOR 2007

To prepare Central America for the promised coming Revival

1. **EVANGELISM** – to present the gospel of Jesus Christ to over **one (1) million people** and asking God to give us a harvest of over **250,000 new converts.**
2. **LEADERSHIP** – to prepare leaders for the future spiritual harvest and to include organizations, schools, sports, and churches. Our goal is to graduate **2500** leaders from Level I, **2000** from Level II, **1500** from Level III, **1000** from Level IV, and **500** from Level V.
3. **CELL GROUPS** – to help facilitate the formation of **10,000** new cells and to provide input through various ways to over **50,000** true relational, seeking and expanding cell groups.
4. **DISCIPLESHIP** – to train the churches and organizations to follow through with the new converts in goal #1, to become fully functioning Christians and hold them accountable to the task.

5. **MISSIONARIES** – to send out OEM people “who will stand in the gap” in the following areas:

- A. **Nicaragua** – Rivas area
- B. **Costa Rica** – Guanacaste area
- C. **Honduras** – La Paz, and Tegucigalpa areas
- D. **EL SALVADOR** – Southern area

These will be Zone Pastors, who proclaim the Word, train and follow the churches and organizations.

OUR SECONDARY GOALS OR OVERFLOW GOALS ARE:

1. **Expand** our influence beyond our established **2500 churches** and organizations today.
2. **Develop** new areas of ministry including possible medical clinics, mobile medical clinic, increase building/repairing of homes and churches and working with more orphanages/protection centers for children.
3. **Expand** our ministry into El Salvador and to expand our existing ministry in Costa Rica.
4. **Help** poor pastors in Central America with a one time gift of financial aide.

To reach these goals we certainly are praying for God’s leading and blessings and for you, your churches and friends to join us in praying for these goals and that you will also bring your support and influence to help us.

Please pray for God’s will to be done in these goals and for OEM that through all of this we will be found faithful. Even as you read this we are on our way to the USA and the hills of East Tennessee. We hope to see each of you or at least hear from you.
