

April Newsletter 2013

"But the noble man devises noble plans; and by noble plans he stands." (Isaiah 32:8)

How great is our Lord and worthy to be praised. We continue to celebrate His Resurrection; not just on Easter day, but every day. For all of us who know Him and follow Him celebrate Easter all day long every day.

Arlene and I end our three weeks in the USA on April 3rd and fly into Managua, Nicaragua for preaching and leadership conferences. On April 7th, we head to Costa Rica for two weeks of teaching, preaching, and spreading the gospel. On April 22nd we will return to Comayagua, Honduras. Please pray for our time in each country and for Zach and Crystal Lozier, who will spend time with us in Costa Rica as they follow God's calling in their lives to be foreign missionaries.

We are also excited to announce that Paul and Angie Schmucker and children will be joining us full time in Honduras as OEM missionaries on January 1, 2014. We will write more about them in the future. God has heard our cries for laborers for the fields are so ripe for harvest, yet the laborers are few.

Please pray for us as we spread out into different areas of ministry:

Schools on Purpose - reaching sixth graders through teaching "Values and Ethics" leading to the gospel.

University classes- We design leadership classes through the University Administration.

National Police -Leadership to help them in their police work.

Government - Preparing to lead the Mayor's staff in learning to be better leaders.

Churches - Continuing our Five Levels of Leadership to assist Pastors and other to be the best they can.

Parasite Program - Giving medicine for parasites to help 20,000 children in schools to prevent illness and teaching them better hygiene.

Pray for OEM Missionaries:

Eric and Melissa Weber - Nicaragua
Keith and Vickie Crowder - Honduras

We at OEM pray God will bless you in everything you do and say in His Name and we love you.

Terry and Arlene
