*“Praise the Lord, all nations; laud Him, all peoples. For His loving kindness is great toward us, and the truth of the Lord is ever lasting. Praise the Lord” .  
Psalm 117*

January was the start of a great year in Central America for OEM. Tri Cities Baptist Church and King’s Baptist Church brought excitement to Costa Rica and Honduras respectively and many hundreds made decisions for Christ.

Three new feeding programs began including one (1) in Puntarenas, Costa Rica and two (2) in Comayagua, Honduras. So at this time through Operation Future we are helping feed over 700 needy children each week and in some cases we are able to help clothe them also. There are still so many hungry children who need help and we are asking God to provide the resources to help them.

January also saw Pastor Chuck Carringer and his wife, Emily, spend time with us in Costa Rica and sharing a series of marriage conferences called “A Blueprint of Marriage.” Many couples re- committed their marriage vows and families began praying together for the first time.

Eric Weber and his family are now living in Salinas Grande, Nicaragua and will continue the good work started there as Directors of OEM, Nicaragua.

As you can see by our February and March calendar we will be hosting a number of teams and Arlene and I will be back in the USA from January 29– February 8 for the 15th anniversary of Faith Promise Church.

Please remember to pray for our “School Program” which begins this month in many schools in and around Comayagua, Honduras. Each day Monday through Friday, OEM will be teaching classes at two (2) different schools per day for 12 weeks each leading to the gospel. We have many school districts lined up and we are praying that many lives will be changed.

After we return from Knoxville to Costa Rica on February 8 we will be there until February 14 and then will drive to Nicaragua to spend some time with Eric and Melissa and then onto Honduras where we will be until approximately the middle of May.

**Giving in Honor/Memory**

Did you know that OEM will send a personalized note at your request if you send a donation in honor or memory of a loved one or a friend. We are call this the **J.C. Crigger Memorial Fund** in honor of Arlene’s Father who passed away on November 8, 2009.

**Monthly Sponsorship Program**

Yes, you can give to OEM each month. This provides the ministry with a constant flow of income which allows us to plan ahead. You can also provide monthly support for a special project or a child through OEM by giving to Operation Future.
