Our feeding program in Comayagua where many of you have ministered and fed our poor children is almost out of funds. We have fed as many as 125 poor children per day for approximately 3 years but we are close to running out of the finances needed to continue the program. For some of these children it is their only meal they receive per day. **CAN YOU HELP???**

It takes \$500 per month to feed them but any amount you can give will be a blessing. **PLEASE HELP US IF YOU CAN!!!!**

NOVEMBER 2011

“Be fervent in spirit, serve the Lord. Rejoice in hope, be patient in tribulation, be constant in prayer.” Romans 12:11-12

This scripture defines OEM as we seek to follow the Lord Jesus Christ and always trying to stay in His perfect and pleasing will. January has provided a tremendous start to 2012 through the Holy Spirit.

Kings Baptist Church brought a great blessing to Honduras January 9-16. with many professions of faith, school visit, VBS, feeding two extremely poor areas, a Women's and Men's conference, providing clothes, Bible studies, hospital visits and six times preaching the Word.

We are working at expanding some of our ministries:

- In March we are praying that two universities in Comayagua will offer OEM Leadership classes to their students as an elective. Pray for this blessing to reach university students not only by increasing their leadership skills but also reaching them with the gospel.
- We will be working with the Honduran National Police in the areas of Comayagua, La Paz and Esperanza with leadership training and also providing law enforcement trainers from the USA but sharing the gospel is and will always be a major part of this.
- Our 6th grade classes on Values and Ethics will begin this month . Over the years many children and family members have made professions of faith.
- We ask for your continued prayer as OEM continues to work with the Mayors' office and the government of Comayagua in helping them become better leaders. We begin in a new department soon and all doors seem to be open.
- Please pray for our teams coming in February which are listed at the top of this newsletter.
