**“And my God will supply all your needs according to His riches in glory in Christ Jesus” Philippians 4:19**

We are so excited for Tommy and Marcia Hopson and their two children, who soon will be leaving to be missionaries in Uganda. Tommy was a very effective member of our B.O.D and a great support of OEM. Join us as we pray for each of them daily as they step out in God’s will and begin an awesome journey.

We also are so pleased to welcome three new B.O.D’s who each have been active in blessing OEM:  
Dr. John Holston from Searcy, Arkansas, Terry Steiden from Louisville, Kentucky and Jeff Tjader from Kingsport Tn. We know God will use each of them to strength our vision and mission.

We have just re-

turned from San Miguel, El Salvador where we were able to provide input to new cell groups, preach and meet with pastors. On Feb 8<sup>th</sup> we will drive to Liberia, Costa Rica for a week and then return to Comayagua on the 15<sup>th</sup>. Pray for our safe travel and our effectiveness in spreading the gospel.

## PROTÉGÉ PROGRAM

We are currently seeking and praying for missionaries called by God who desire a position on a foreign mission field. OEM is interested in placing those qualified in positions of leadership in Honduras, El Salvador, Nicaragua, and Costa Rica. To facilitate this

transition, a year-long training program in Central America has been created and based on the gifts, skills, talents and work performance of the protégé, the individual will then be placed in the field.

If you have already made a commitment to serve as a missionary in another country but are unsure of

how to start the process, we can be contacted for help under the OEM umbrella. We can give advice based on our 13 years of experience on the field. We have blazed the trail in four countries and our desire is to make the way smoother and more effective for new missionaries.
