AMAZING 2010 FOR OEM

What an amazing year, 2010 was for OEM. There were tens of thousands of professions of faith, hundreds of new cells, great increases and doors opened for our leadership training opportunities, including the military and city government.

We also celebrated our 4000 days in Central America and God has opened up new territory in El Salvador and in the south in Costa Rica.

We were also blessed to receive Eric, Melissa, Seth and Sage Weber as full time missionaries in Nicaragua and Randy and Trelise Faile in as missionaries in

Costa Rica. We praise God for His faithfulness and His blessings.

We welcomed a new member to our Board of Directors of Open Eyes Ministries, Tommy Hopson and his wife, Marcia. Tommy has a real heart for missions and has been a friend of OEM for some time. Please pray for Tommy, Marcia, and their children.

UCOMING PROJECTS FOR 2011

CONNECTION EVENTS

Many of you have asked what projects we have coming up for the new year so you can help.

Following are some of the most needy events we need help with:

Children's Feeding Centers

In Costa Rica, Honduras, and Nicaragua. Additional funds are needed to keep these centers feeding hundreds of underprivileged children daily. Connect with us by praying and giving to this project.

A \$20 gift will feed a child for 30 days.

Buildings for Needy Families and Churches.

In January we will begin 3 building projects including a house for a single mother of 5, and an addition to a poor church to house their 250 children who attend church each Sunday.

Connect with us by bringing a construction team or providing finances to help fund these projects and to help with so many more opportunities to change lives. We will also be providing electricity to an isolated church who does not have lights for evening services. We have 6 more projects waiting for funding.

Connect with us by providing new or used clothing or money to be used to buy clothing.

- Sewing Centers to help generate jobs.
