God has begun to lead us in different paths for 2007; some departing from the old ways and into different lights, yet a promise of a continuing HARVEST across **CENTRAL AMERICA** as is evident by the following:

Feeding Program: On February 12th begins a feeding program for extremely poor children in San Marcos de Colon in **Honduras**. For 2007, through a blessing from God we will be able to feed at least 100 children a day a good nutritious meal, who otherwise would not eat. We will be presenting the gospel, reaching the families and beginning more cell groups in these many poor communities. **If you would like to help keep this going please designate your check to OEM Feeding Program.**

Salvador: OEM, along with Faith Promise Church will be providing 3 concerts in **COSTA RICA** with Christian recording artist, **Salvador**. We expect and are praying for 20,000 decisions during this time and will be working to see these disciples and placed in cells/churches. **Please help us pray for this. The dates are June 21-24** but preparations are underway now

New Zone Pastor: Please pray for our new Zone Pastor in Guanacaste area of Costa Rica, **Pastor Edier Valverde**.

New Churches: Through a blessing from a church in the US we will begin to build two (2) churches in the Masaya area of **NICARAGUA**, in June. These will all be mission churches of the First Baptist Church, Masaya, and our good friend, Pastor Israel. **Pray for the God's anointing on these churches.**

100 + Youth and Leaders: from Gateway Baptist Church will be spending two (2) weeks in **Costa Rica** in Las Canas. OEM will be leading them in evangelism, community projects, community Bible studies and as examples of Christian leaders. **Please pray for the youth as they prepare and focus on God.**

Basketball Court: Thanks to Grace Baptist Church, our new basketball court will be finished April 15, 2007 at the retreat center in **Las Canas, Costa Rica**. Beginning in July/August, 2007, we hope to bus in lost youth and children for a day of instructional basketball and soccer games, food, drink, fellowship and especially the presentation of the gospel. This will be led by OEM employees through the local churches with instructions in children and youth discipleship and cells. **Pray for God's blessings and that this will only be the beginning of many such areas.**

All three (3) countries continue to be open to the gospel and together with the above mentioned projects and the crusade, medical teams, leadership, conferences, sports, evangelism, prison ministry, women's conferences and church growth we look for and expect a truly supernatural 2007.

We at OEM stand in awe of God's grace and mercy and we ask each of you to pray to the Lord of the Harvest for the fields are ripe with harvest but the laborers are few

Our website is currently under reconstruction and we will let you know as soon as it is up and running again.
