

# OPEN EYES MINISTRIES

July 2008

“For this reason I remind you to kindle afresh the gift of God which is in you through the laying on of my hands. For God has not given us a spirit of timidity but of power and love and discipline” II Timothy 6:7

In these months of June and July, God has opened many door to the gospel in Central America for OEM

In Costa Rica, the churches are coming together in unity like never before, especially in Santa Cruz, Belin, Filadelfia and Puntarenas. Cell groups are ready to begin and churches are mobilizing to reach the lost. We have meetings scheduled with mayors, and police, in addition to other organizations. I believe the promised revival is close.

We praise God for all who are assisting us in partnerships across these countries to make a difference for the kingdom. Just in the month of June this year, we had the privilege of hosting Faith Promise Church in Praise and Worship Concerts and Cell Group Conferences in Costa Rica and International Impact Ministries for two (2) weeks of medical teams in Honduras and Glory to Glory Ministry in Nicaragua. As you see our July schedule is full and many souls have been and will be added to the kingdom.

We continue to reach the families through the feeding and clothing of poor children particularly in Honduras and soon we are praying to expand to the city of Puntarenas, Costa Rica. We need your help to keep the program “Operation Future” going.

Also we need your prayers as we seek God’s will to expand north into Honduras. The call is strong to Comayagua and the surrounding areas and we are asking God for His direction.

Arlene and I love you and ask you to continue to pray for the following and we pray God will continue to bless you so you can bless us so we may bless others.

- NEW SOULS
- VEHICLES
- PROTECTION AND GOOD HEALTH
- FINANCES TO CONTINUE TO FEED THE HUNGRY CHILDREN
- LABORERS FOR THE FIELDS ARE RIPE WITH HARVEST BUT THE LABORERS ARE FEW.
- GOD’S WILL TO BE DONE IN ALL WE DO
