

OPEN EYES MINISTRIES

JUNE 2008

RETURNING TO CENTRAL AMERICA

As we return this month to minister in Honduras, Nicaragua and Costa Rica, we are trusting God to bring His promised supernatural revival that will sweep these countries and many more.

Arlene and her OEM team will be leading two medical teams back to back in Honduras and I will be going to Costa Rica for a Praise and Worship team and a cell group leadership team.

The schedule as you can see is full and we praise God for what He is going to do during this time of ministering with these teams.

While we have been in the states these past 7 weeks, we have been able to visit in many churches, sharing God's vision for OEM and also participating in a mission conference at Tri-Cities Baptist Church.

Our team in Central America led by Lucila, received two mission teams, one in Choluteca, Honduras and one in Leon, Nicaragua and many people made professions of faith.

As we mentioned in April's newsletter, our intern for three months, Michelle Thompson, will be joining OEM for one year begin-

ning in July following one month of language school in Leon, Nicaragua

Pamela Castellon, will be going full time on June 15 with duties as translator and communications.

Also pray as Pastor Edier Valverde begins full time in the country of Costa Rica with the responsibility to develop our vision across Costa Rica.

As we approach 1 1/2 million professions of faith during these almost 9 years, we stand in awe of His unconditional love, mercy and compassion and marvel at his wonders

Arlene and I love you and ask you to continue to pray for our protection, health, perseverance and that God will continue to bless you so you can bless us so we can bless others.

We are also praying that before this year of 2008 is over, God will bless us with a new 25 passenger bus that will replace the very used "Barbie Bus". If you

would like to bless us with a donation to that need, please mail it to our PO Box 52104, Knoxville, Tn. 37950 Remember all dona-

tions are tax deductible.
