

**“Yet those who wait for the Lord will gain new strength; they will mount up with wings like eagles, they will run and will not get tired, they will walk and not become weary.” Isaiah 40:31**

In July 1, after a brief stay in the USA, Arlene and I head back to Managua, Nicaragua. We will apply for our Nicaraguan visa and then on July 2 will travel overland to Playa Ocotol, Costa Rica, where I will spend most of July working with teams and others from the USA. After a few days, Arlene, Pamela and Kacie Potts (a new intern from Elk River Baptist Church in Grove, Oklahoma, who will be working for two months with OEM) will head to Comayagua, Honduras to host a medical and construction team.

July and August will be extremely busy months with mission teams, almost every week and with Keith and Vickie Crowder and family coming on God's call to invest their lives in Honduras on July 14. Next month we will have a profile of Keith, Vickie and their three (3) children and the work they will be doing with OEM.

Our time in the USA has been very fruitful as we have visited churches, including some new ones and God has opened up new opportunities for us to spread the gospel across Central America.

OEM is also in the process of forming a Board of Advisors, who will provide input, wisdom and discernment on special issues. We are always seeking godly counsel for our actions and the B.O.A. will be a blessing. We will share more about this in July.

**Please be in prayer for the following:**

- ⇒ New Souls
- ⇒ Safety and Protection
- ⇒ Laborers for the Harvest
- ⇒ Good Health for Jhovany (the 8 year old boy who lives with us in Honduras)
- ⇒ Vision and Passion
- ⇒ Perseverance to the end
- ⇒ Michelle Thompson as she prays about God's will for her life

**Many exciting things are on the horizon and we soon will be able to share them. God is continually opening up new areas and downsizing others. I am so happy God is God and we are not.**

**We love you and appreciate your prayers and support as we share the dream**
