"EVERYTHING WE HAVE LEARNED SAYS THAT SUCCESS FOLLOWS A PREDICTABLE COURSE. IT IS NOT THE BRIGHTEST WHO SUCCEED, NOR IS SUCCESS SIMPLY THE SUM OF THE DECISIONS AND EFFORTS WE MAKE ON OUR OWN BEHALF. IT IS RATHER A GIFT. OUTLIERS ARE THOSE WHO HAVE BEEN GIVEN OPPORTUNITIES—AND WHO HAVE HAD THE STRENGTH AND PRESENCE OF MIND TO SEIZE THEM."

MALCOLM GLADWELL FROM THE BOOK, OUTLIERS

How true this is for all of us. We prime ourselves with the Word of God in the morning. Then we need to look for the opportunities to change the world, wherever we go, using our strengths and alertness to grab ahold of each one.

I can only speak for myself and OEM but this should make us all want to get up early every morning and get ready for what God puts in our way.

Opportunities continue to come our way. We have added recently the Red Cross, high school students and their teachers to our leadership training.

PRAYER NEEDS

- Finances to continue the feeding programs .
- Good used clothes for the clothing ministry or a donation to help buy second hand clothes in Comayagua.
- Finances to continue the Home of Hope.
- More Laborers.
- A new van to replace our old one which is causing problems.
- Health for OEM members and their families.
- Spanish New Testaments
- Protection.

Crossfire Ministries spent a week in May with us sharing Christ in five churches, five basketball games, prison, orphanage, ten schools and feeding a small community. The total professions of faith were 1890. During the Crossfire/OEM partnership in Nicaragua, Costa Rica and Honduras, we have witnessed almost 25,000 professions of faith since 2003. Thank you Randy and Jamie for your commitment to God's call on your lives.

Berean Baptist Church ministered with us in May and had a dynamite week of serving God..

Arlene and I are back in the USA for a few weeks

until we leave on June 20th and we will host eight teams in a row plus continuing our other ministries. Please pray for our strength, energy, and good health.

We are truly blessed to be part of the miracles in Central America and we appreciate each one of you for your part in making this possible.
