The Schmuckers visiting Home of Home

In May God blessed the land with 1340 decisions for Christ as OEM and **Crossfire Ministries** visited schools during the day and played basketball at night.

Paul and Angie Schmucker and their 4 children spent 2 weeks with us, ministering in the area and finding God's home for them to live in. They will be moving full time on the mission field in Comayagua in January 2014. They will be mainly working in the areas of youth and children, but also working in all aspects of OEM.

We also were blessed by a visit from **Pastor Chris Stephens, his wife Michele**, and others from FPC. The team preached, shared Jesus wherever they went, held 3 wom-

en's conference and 3 men's conference, all for Pastors and their wives as well as teaching leadership to the Honduras and USA military Cadets. It was an awesome time.

On the 23rd of May we finished the course for the National Police Teachers at the **Police Academy** and late in the summer hope to begin a 40 hour leadership course for the new recruits (approximately 400-600 recruits).

Lucila and I also finished the 3 month leadership course at the **University in Comayagua** and held a graduation and celebration.

All the above you can see photos on our Facebook page **OPEN EYES MINISTRIES CENTRAL AMERICA**
