

“God be merciful to us and bless us, and cause His face to shine upon us. That Your way be known on earth, Your salvation among all nations.” Psalm 67:1-2

LEADER TO LEADER INSTITUTE: We have started sending out each month a leadership newsletter to pastors and leaders. Each issue will include ideas and tips on how to improve their leadership skills and valuable information on starting and growing their “cell” group ministry. We are constantly seeking more e-mail addresses to include in our data base and we have been blessed by the response. Currently this newsletter is going out across Honduras, Costa Rica, and Nicaragua and we hope to expand it with contacts in other countries.

COSTA RICA: This month we are in Costa Rica preaching, teaching and spreading the vision. In addition our Treasurer, Harriett Westmoreland, and her husband, Ronnie, were here for a week working on OEM finances with Arlene and Michelle. They are a true blessing.

On the 23-27, Dr. Chris Stephens will be here traveling with me across Costa Rica and sharing principles from his new book, “The Climb of Your Life.” Costa Rica continues to be a harvest for the kingdom under the direction of our zone pastor, Edier Valverde. This month we have 18 teaching and preaching opportunities.

HONDURAS: In April we will be visited by the Crowder family from Elk River Baptist Church in Grove, Oklahoma, a long time partner of OEM. They believe God has called them to Honduras through OEM and will be scouting out the land so please pray for them. The land is ripe for harvest in Honduras and all doors seem to be open.

NETWORKING: OEM is currently in dialog with 2 organizations who are interested in working with us in Central America training pastors and leaders. We also are interested in seeing what God will do in building feeding sites and orphanages for needy children. Finally through the effects of Eric Weber, OEM is partnering with Fellowship Travel to provide trips through them to Nicaragua, to be hosted and led by OEM.

NICARAGUA: Eric has begun building his home in Nicaragua and is on target to move and live there sometime in late 2009.

Please continue to pray for us, especially for wisdom and discernment as we branch out across Central America and look to new opportunities to preach the gospel and reach the lost. All of these areas need your prayer and support.
