

“Not that we are adequate in ourselves to consider anything as coming from ourselves, but our adequacy is from God.” (Romans 3:5)

As you can see by our scheduled teams throughout our four countries it will be a busy but an awesome month. Crusades, medical, evangelism, construction, preaching, feeding and so much more designed to reach the people who need it the most.

This month we hope to finish two construction projects, a church addition and a home for a very poor family. We are also excited to begin leadership training with the city Government of Comayagua, Honduras on March 5th. We will begin on this date with the department heads and hopefully work our way through the complete city employees system.

Last month we started additional leadership training with the National Police on an on going basis and also with one of the largest businesses in Honduras.

As we continue meeting with military, churches, schools and the above organizations, we are touching almost every avenue to help people become the best they can be. God is so good and continues to open up doors for the gospel.

We continue to provide funds to feed the hungry and to clothe the poor through our Clothes Ministry. In February there were 66 people who made a profession of faith in Christ while receiving used clothes.

OEM has two interns coming to serve with us in Central America this month.

Hillary Harrell will mainly be doing a medical internship working in churches, schools, clinics, and with mission teams from March—May.

Adrienne Levy will be involved in all aspects of the ministry including teaching our “Schools of Purpose” ministry and English as a second language and will be with us from March—July.

Please pray for Adrienne and Hillary for God to use them in a mighty way!

Feeding a community

We need your prayers and support for:

- The Clothes Ministry: We need lots of small children's clothes or money to purchase clothes here. \$250 supplies enough clothes for one month
- The Feeding Programs: You can feed a child a nutritional meal once a day for \$10/month. Our funds are extremely low and we need you to help keep them going.
- Children's Home: We are now working on the by laws and rules/regulations to govern the children's home. Our Board of Directors or assembly as it is called here has been appointed and we are praying for God to show us Godly couple who will be the parents to these abandoned children. Pray God will show us the right people soon.
- Leadership Challenge We continue to expand to the police and city government and other organizations. Pray God will work in an incredible way as we spread the Word across Central America

Coming in April online giving!!!!!!
