"BUT PETER AND JOHN ANSWERED AND SAID TO THEM, 'WHETHER IT IS RIGHT IN THE SIGHT OF GOD TO LISTEN TO YOU MORE THAN GOD, YOU JUDGE.' FOR WE CANNOT BUT SPEAK THE THINGS WHICH WE HAVE SEEN AND HEARD." ACTS 4:19, 20

A key to all of us who wish to make a difference in the world is as Peter and John said, "We cannot stop talking about what we have seen and heard." It is our testimony, our salvation experience, and what we experienced that turns the world upside down.

I am amazed how God blessed our three teams in February. There were hundreds of decisions made for Christ, teaching in schools, feeding poor communities, preaching, evangelizing and sharing all over El Salvador and Honduras.

Our second Theology Conference in Comayagua, brought 75 Pastors to

learn more about what the Bible says and the reviews were outstanding.

BUT why be amazed because our God can do all things.

We pray and we obey and we go where the Holy Spirit leads. We do the possible that God has blessed us to do and look to Him to do the impossible. EXCITEMENT, PERSERVERENCE, VISION AND EXPECTING GOD TO DO MIRACLES, keeps us going and gives us hope for the future.

Most of you have heard or read about the horrible fire at the prison in Comayagua that took the lives of 358 prisoners, family members and prison workers. Some of the churches we are working with are serving daily with the ones that are left.. They are spreading the Word and feeding them three times a day, rice and beans. It is a great work. If you would like to assist in this ministry during these difficult times, **send your donation to our PO Box or online giving on our website** and we will make sure it is used to help those who are hurting so badly at the prison.
