We are so blessed to be a part of God's work across Central America and beyond. Even in our 13th year it is still fresh and supernatural. Why God choose us is still a mystery but we are living our dream and we get to do what we love and love what we do. Thank you Father God.

We witnessed a harvest of souls coming to Christ in **Costa Rica with TCBC** in February. Schools, business and churches were so excited that we visited with them and so open to the Word. **Along the Journey** provided 3 pastors **Conferences on Theology** in Honduras and preached at different churches and many new doors in the capital of Tegucigalpa were also opened to OEM.

Leadership is overflowing with new universities and 200- 300 new police leaders. We also were able to spend time in San Miguel, El Salvador preaching and teaching. God is so good.

Construction needs: We have so many requests from needy pastors for help on their broken down facilities. Below are listed a few examples:

- **Pastor Natan** needs a children's addition to minister to the ever growing church and school.
- **Pastor Bonilla** needs a church building because he is still meeting in a lean to.
- **Pastor Alejandro** needs help with an addition on a rehab building for people with addictions.

If you would bless them and us with love offering we will keep you up to date with all the changes. Also if you would

like to bring a team to do some of the work on the building it would be a great blessing.
