

OPEN EYES MINISTRIES
SEPTEMBER 2010
4000 DAYS AND COUNTING

“ What God does in time, He planned from eternity and all that He planned in eternity he carries out in time.”

On September 20th we will have been in Central America for 4000 days. It has been a great adventure and God has blessed us beyond anything we could have ever imagined when we began in 1999. The vision is stronger today than ever and the mission goes forward across the countries of Nicaragua, Honduras, Costa Rica, and El Salvador. Through the good times and the not so good times, God has been faithful and we praise Him for who He is, the Great I AM.

During these 4000 days,

- We have hosted 270 mission teams
- Graduated 1000s of leaders from our leadership training
- Witnessed 100s of thousands of professions of faith
- Preached or taught over 1500 times
- Given out 10s of thousands of Bibles and New Testaments
- Tracked over 25,000 cell groups that we have had a part in
- Fed 1000s of children in feeding programs
- Built churches and homes and so much more

Even as I write this update we are so amazed at God's grace, mercy, and compassion.

We are blessed to have the staff we have now, the churches that are supporting us, our Board of Directors, our Board of Advisors, and our many friends and family. We praise Him for the Webers, the Crowders, and Failes who have followed in our footsteps to join us and we look to the future for those who also will come..

WE ASK THAT YOU JOIN US ON SEPTEMBER 20TH FOR A TIME OF PRAYER FOR OEM; THANKING GOD FOR HIS GOODNESS AND PRAYING FOR:

- Our vision to be made clear beyond where we are today.
- Lost souls to be added to the kingdom.
- Strength, energy, and good health
- Our School Program “Schools with Purpose” to expand.
- Our new ministry “Clothes for Souls” beginning in January 2011.
- Financial blessings to keep it all going.
- Our feeding centers in Honduras, Nicaragua, and Costa Rica.
- Our leadership skills to continue to grow.
- God's will to be done.
- Our staff and Board of Directors and Advisors.
- Guidance and blessings for the Webers, Crowders, and Failes

What else can we say except to share all the miracles and blessing we have experienced in 4000 days would fill thousands of pages of paper.

To God be the Glory, great things He has done!!!!!!
